

MEMORANDUM

To: The Victorian Baseball Community
From: Brett Hidson, General Manager
Date: 1 March 2010
Regarding: Baseball Business Directory

As part of the update of our website, I am seeking details and assistance from all people within baseball in Victoria to commence a "Baseball Business Directory".

The directory will be a basic list which highlights the type of work that people do outside of participating in baseball. The list will allow everyone the opportunity to contact baseball people for their services. The service is available to any type of business, from a major company to a self-employed person, and to any person associated within baseball, including players, parents, volunteers and so on.

The list is anticipated to develop in line with the overall development of the website. Each submission will be initially offered the following details to be placed on the directory:

- Business Type
- Business Name
- Person's Name
- Best Contact for the person (mobile, telephone or email address)
- Website address if available

There is no cost for participating in the initial stages of the directory.

If you are interested, please complete the attached form and return to me before 1st April 2010.

Regards

Brett Hidson
General Manager
